

Spiritual Question:

“Discovery of God”

&

“How Science Proves Existence of God”

Scientific Research:

- In Math or Algebra:

If $A = B$, And $B = C$,

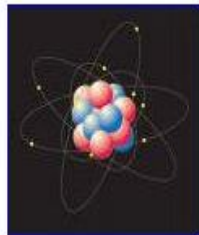

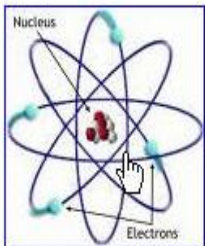

Then A has to be equal to C .

- We will observe whatever exists at micro level also exists at Macro level.

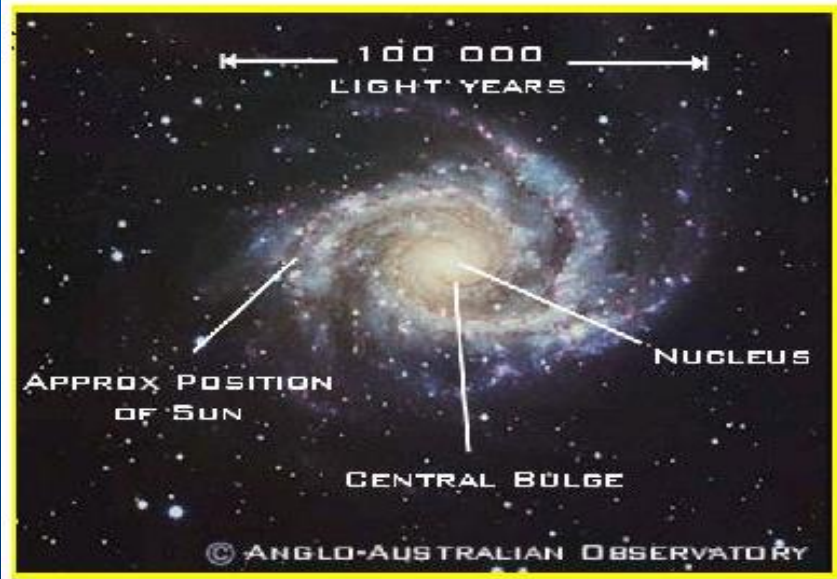

A	B	C

No.	Micro (Small)	Macro (Large)
1	Atom or MicroUniverse	Galaxy or MacroAtom

Atom Structure/Shape

Milky Way Galaxy

No.

Micro (Small)

Macro (Large)

2

Cell
or Microbody

Human Body or
MacroCell

Body Cell

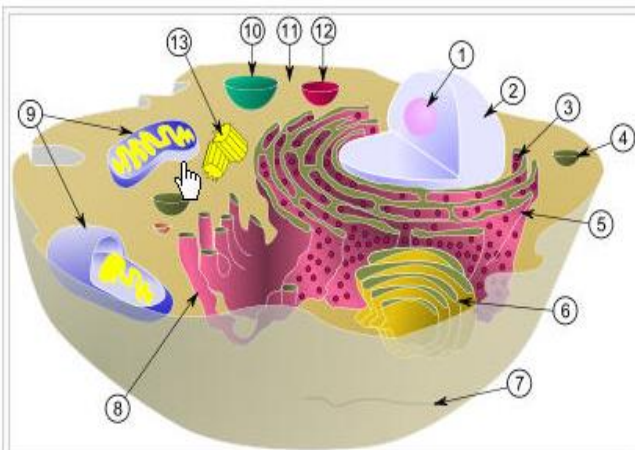

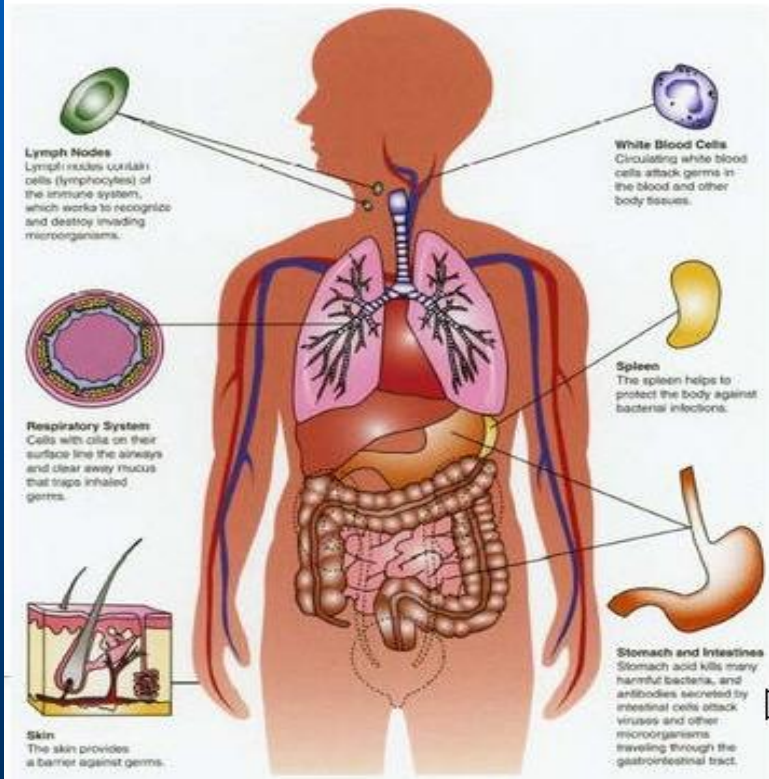

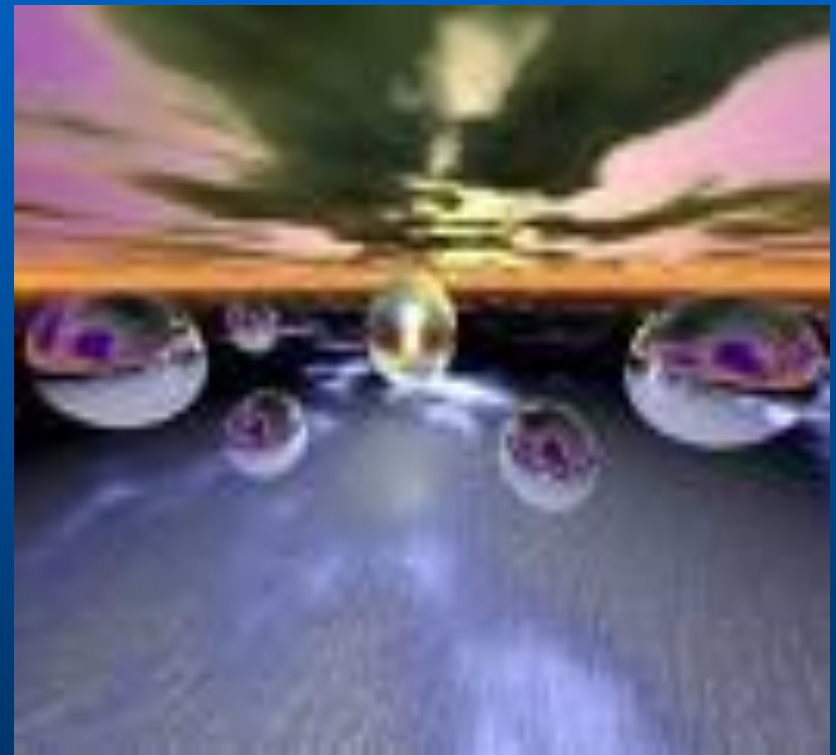

Diagram of a typical eukaryotic cell, showing subcellular components.
 Organelles: (1) nucleolus (2) nucleus (3) ribosome (4) vesicle (5) rough endoplasmic reticulum (ER) (6) Golgi apparatus (7) Cytoskeleton (8) smooth ER (9) mitochondria (10) vacuole (11) cytoplasm (12) lysosome (13) centrioles within

Human Body

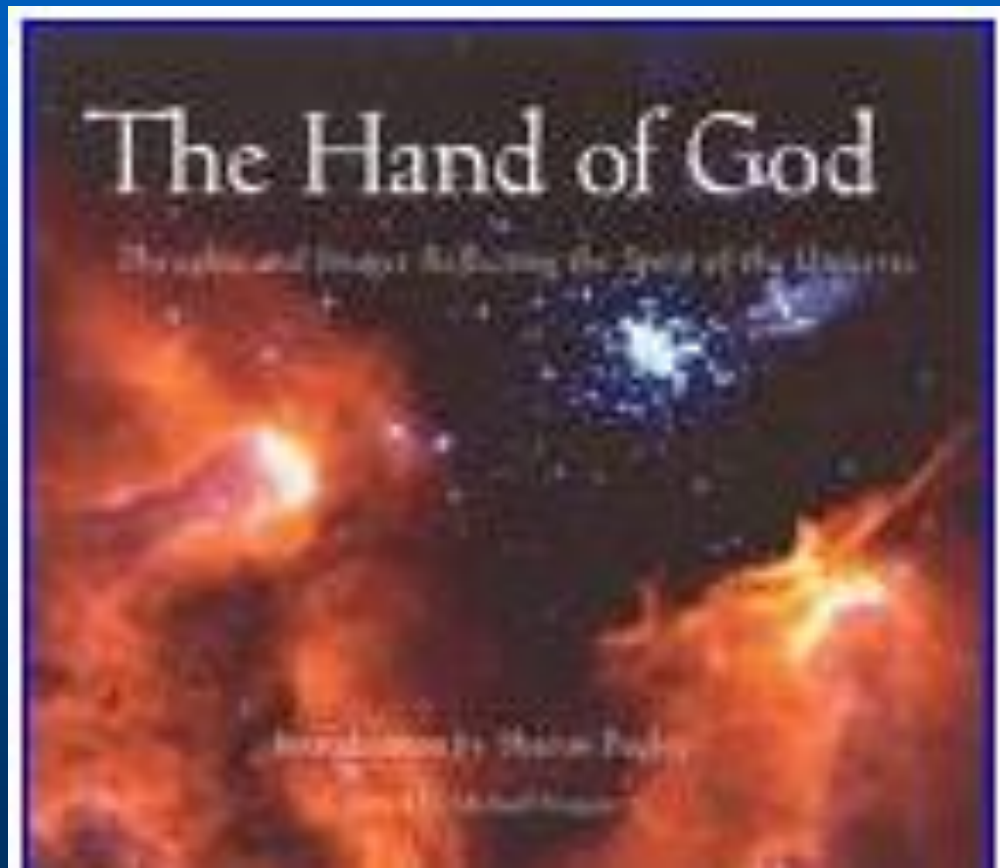

The human body has several lines of defense against infection, which work to prevent germs from invading the body or to destroy them once they find their way in.

No.	Micro (Small)	Macro (Large)
3	Human Soul or MicroGod Atma	Soul of Universe: GOD! MacroSoul ParamAtma

No.	Micro (Small)	Macro (Large)
4	Human Parent or MicroGod or MicroCreator	Parent of Universe The GOD! The CREATOR!

Gen. 9:6 - "In the image of God He made man"

O my dear mind, you are form of Divine Light –
recognize and appreciate your divine origin.

ਮਨ ਤੂੰ ਜੋਤਿ ਸਰੂਪੁ ਹੈ, ਆਪਣਾ ਮੂਲੁ ਪਛਾਣੁ ॥

Mun too jot saroop hai, aapnaa mool pachhaan

ਮਨ ਤੂੰ ਜੋਤਿ ਸਰੂਪੁ ਹੈ, ਆਪਣਾ ਮੂਲੁ ਪਛਾਣੁ ॥

(Shri Guru Granth Sahib: Page: 441 Raag: Aasaa, Guru Amar Das)

Conclusion:

- **As all 4 previous analogies show, what ever exists at micro level also exists at Macro level.**
- **Similarly as soul exists at micro level (for each human), thus Macro Soul (of Universe or God) must be existing too.**
- **With above comparisons, we prove God Exists!**
- **Share this Bliss!**
- **Enjoy your Blessings!**
- **Kindly share this presentations with all!**
