1) Lag Jaa Gale - Sadhana, Lata Mangeshkar, Woh Kaun Thi Romantic

<http://www.youtube.com/watch?v=TFr6G5zveS8>

1) We should hug and cry, as this life is about to be history very soon.

Much sooner than you have imagined or planned.

Sah Ave K eave na ave raam!

Is not the end of life, is the story of every life? What a sad story. Oh Lord, bless us to see life differently, and enjoy life while we have it.

2) Jaane Kyun Log Mohabbat Kiya Karte Hain

<http://www.youtube.com/watch?v=69qsp5i35cg>

Why do people fall in love. In spite it gives so much pains and sufferings!

People chase after shadows. Hearts breaks.

Oh Lord, you must be the most Heart-broken. You created us to Love You, instead we are loving your gifts, not You! What a torture it must be for You, Oh Our Creator!

3) Aap Kyon Royen - Sadhana, Lata Mangeshkar, Woh Kaun Thi

http://www.youtube.com/watch?v=Zf3RhMt_ljU

Why did you shed a tear, when I talked of my pains!

Oh Lord, the feelings you have equipped us with, makes us your children. We can feel for other humans! That is what cements us with other humans: we fall in love with each other.

Oh Lord, you carry the loads of our pains, Oh Lord. That is why we have these temporal feelings for others.

There is not a single heart which is not full of grief!

4) Bedardi Baalma Tujhko – Aarzo

<http://www.youtube.com/watch?v=I7vnZUHRx8Q>

Oh my love, I miss you. Oh my love, you feeling-less one.

My eyes are shedding tears like Monsoon rains!

I wish I could sing this sing for My Lord!

That will be Eternal love! Everlasting bliss!

No death, no birth. No heartaches, no jobs, no heart-breaks!

No more nagging from those from whom we try to beg, borrow or steal love.

The love, that evaporates in blink of eye! Leaving a debt in body, mind and soul!

No fear of tears, for shedding tears in Love of Lord, all will be bliss!

No more lakes of fires or lakes of separation.

5) Kabhi Kabhi mere dil mein khayal aata hai

<http://www.youtube.com/watch?v=EKMPf737pp0>

Kabhi Chooma tha jo daman, who daman yaad karta hai!

The side that you hugged you once, misses you!

The most sensitive part of the body, are not the eyes, not the skin,

Not even the breast or chest: it is the mind which is touched by the Words!

No wonder, it is only thru Word(God's Word), the soul is transformed into Almighty!

6) Yeh Dil Tum Bin Kahin Lagta Nahin - Izzat (720p HD Song)

<http://www.youtube.com/watch?v=GXdPQUsyTI>

Oh Lord, what kind of tragedy is this: we humans develop a dependency on love of some special-one and then cry and wail when that special person does not respond!

7) Mujhe Teri Mohabbat Ka Sahara - Aap Aaye Bahar Aayee

<http://www.youtube.com/watch?v=wUllfBgcg5g>

Oh Lord, what kind of dependency you have put on we humans: you make us to beg for love from other beggars. You make us to beg, borrow or steal this love thingy! What a tragedy you put in we humans, what a mirage you showed us!

We are blaming each other. We unite, get married, make babies, then we blame and blame others. We never know that we are barking on the wrong tree for love.

Love is only with you, like everything else of the universe. You are the only inexhaustible reservoir of Love, Oh Lord, what a joke with we humans.

Just listen to the words: "Sara Tera Dard Lay Liya Hota: I would have got all your pains!"

What a joke on our minimal wisdom: We are unable to bear our own pains and we are faking to pick others pains. We do not know that these pains are blessings too! Let us not steal others blessings, even if they come in form of pain, for growth of the soul.

8) Aap Ki Nazron Ne Samjha

<http://www.youtube.com/watch?v=HKCQZvfOxqA>

After finding the temporal love, the love is short lived. Either our love walks away out of our life, or we walk out of love. Just in case we survive these two tragedies: and eventually, our Love walks out of this world, leaving us again crying and wailing! Oh Lord, what is this. Some kind of joke on us: You call us Your children! Is that you could give for fulfillment!

9) Tera Mera Pyar Amar - Asli Naqli

<http://www.youtube.com/watch?v=hP0fThpw80c>

The souls are eternal, so is the affinity or love among them!

The sadness, when we get our love, still some fears keep us hunting!

Oh Lord, why this is so? You said, "Love is God, God is love!". Then why you are misleading with your words! No one can else answer this question. You are our designer. You say words, and we follow your words. Why, why, Oh Lord, even love is failing us.

Where is the flaw in understanding your own words! Why are you not speaking up now, Lord, my words and tears are addressed to you, Oh Lord!

10) Ye duniya agar mil bhi jaaye, to kaya hai.

[Rafi saaheb for SDB in Guru Dutt's classic Pyaasa]

<http://www.youtube.com/watch?v=hSo3KVwvp8M>

Come over here, Oh Lord, listen to this wailing! Is this world your creation.

See the agony, pain and suffering!

Such is helpless

Har Rooh Payasee: Ever soul is thirst! Where is your water!

Why desert everywhere, thirst and thirst.

Yeh Baste hai Murda-Praston kee Baste:

This place is for the walking-dead!

11) Duniya Ke Rakhwale - Mohammad Rafi Live With Naushad

<http://www.youtube.com/watch?v=QFyW5Hhxd4>

Self-surrender to Lord, is the ultimate prayer, love and sacrifice.

Oh Lord, we do not come to door till we are scolded and pushed by all doors of the world!

Oh Lord, we are grateful to you, for few of us who learn your lessons while we are in breaths. This salvation is possible we are in flesh and blood. Oh Lord, be kind to all of us, shed your light on us, not tomorrow but this very moment!
